 Two succulent plants in pots. The left pot is white and contains a small green succulent with spiky leaves. The right pot is a textured, light-colored concrete and contains a larger, multi-colored succulent with thick, fleshy leaves.	 Two empty pots. The left one is a plain white ceramic pot. The right one is a textured, light-colored concrete pot, matching the one in the main image.	81866	6.5" Combo		Succulent Combo Thachter	6
